

Environmental Policy

Purple Foodservice Solutions Limited is a unique business model which brings together the skills and resources of DBC Foodservice, Supreme Foodservice and Vestey Foods UK Limited - Special Contracts Division.

Purple Foodservice Solutions is committed to controlling and managing its activities to ensure risks to the health, safety and welfare of its employees, customers and general public are identified and action taken to minimise or eliminate their effects.

The objectives of PFS's policy are:

- To comply with its legal obligations under the current Health, Safety and Welfare Act and the Environmental Protection Act, together with all other applicable statutory provisions and relevant codes of practice.
- To commit fully to our customers Sustainable Procurement Charter, supporting the Ministry of Defence aim of continual improvement to their economic, environmental and social performance.
- To promote environmental awareness, health and safety throughout the organisation.
- To minimise the social impact of the company activities and avoid damage to the environment through regular reviews of the business from environmental and management systems audits.
- To undertake environmental impact studies as part of any company relocation or enlargement of existing facilities.
- To promote the purchase and use of environmentally responsible products.
- To strive to continually improve our environmental performance and minimise the social impact, pollution and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities.
- To reduce waste through re-use and recycling.
- To promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- To communicate our environmental commitment to clients, customers and the public and encourage them to support it.
- To develop a framework for review and continued improvement of our environmental management systems by setting a review of environmental objectives & targets.
